4.6 rating

"Having my apartment robbed, I was stressed about having to make a claim. BUT I had nothing to worry about. Everything was explained to me and the process couldn't have been simpler. I HIGHLY recommend APOLLO Insurance. You won't regret it."

"After searching among different insurance companies I found APOLLO is offering tenant insurance with less price annually rather than others with great coverage for everything. I am happy with my choice and recommend this company to anyone."
